PROSPECTUS

Session: 2023-2024

Education in all its different forms and channels has its ultimate purpose in the evolving of a luminous sphere of human mind from the nebula that has been rushing round ages to find in itself an eternal centre of unity. We individuals, however small may be our power and whatever corner of the world we may belong to, have the claim upon us to add to the light of the consciousness that comprehends all humanity.

Rabindranath Tagore

FROM THE PRINCIPAL'S DESK

I extend my greetings and warm welcome to all on behalf of Krishnagar Government College, an institution which celebrated its 175th year of establishment in 2019. This grand old seat of learning has more than 3500 students spread across 14 Major (Honours) and 4 PG streams from current academic session as per provisions laid by National Education Policy 2020, besides nearly 90 staff members. Krishnagar Government College, an institution par-excellence has been adjudged the best performing college of Nadia district. Affiliated to the University of Kalyani, Krishnagar Government College is placed under the direct control of the Higher Education Department, Government of West Bengal.

This premier college with highly qualified academicians, imparting education in different branches of Science and Arts at both the UG & PG levels, is reputed for its continuous, outstanding performance in academics, testified by the students' results in the examinations conducted by the affiliating university.

Education is not merely the act of amassing information. It entails the process of learning the requisite skills that enable one to lead an active, fulfilling and successful life. Moreover, education holds the key to development of one's personality. Education functions as a tool for social, economic and philosophical emancipation. This is an ennobling process of growth and holistic development, besides playing its role in the production of intellectually sound, morally upright and socially concerned young men and women who would be ever-ready to serve the nation. That Krishnagar Government College has been imparting education in this holistic manner is evident from the list of noble alumni this college has produced during its 178-years old and continuous journey

OUR GLORIOUS PAST

Krishnagar Government College was founded by the colonial British Government as part of the endeavor to disseminate Western education following the Macaulay formula among colonial subjects chiefly through the medium of the English language. With the sanction of the contemporary Governor General of India- Lord Hardinge, a Government order was issued regarding the foundation of a college at Krishnagar, Nadia on 1st October 1845. Following its formal foundation on 28th November, 1845, both school and college sections commenced functioning in a rented house at Hatarpara, Krishnagar from 1st January, 1846. The prestigious institution shifted to its present campus (built on land contributed by Maharaja Srish Chandra Roy of Nadia and Maharani Swarnamoyee Devi of Cossimbazar, Murshidabad) from June 1856. Since 1855, the college had been placed under the purview of the Director of Public Education and was brought under the affiliation of the University of Calcutta in 1865. The first principal of the College, Captain D.L. Richardson, was a renowned Shakespeare-scholar, under whom the fledgling institution took rapid strides towards excellence, with sage guidance from teachers like Babu Ramtanu Lahiri, Pandit Madan Mohan Tarkalankar and others-who were stalwarts in their respective domains. Besides academic prowess, contemporary students of the college were emboldened to question age-old norms in religion, politics and culture, as part of the contemporary zeitgeist fostered by the nineteenth century 'Bengal Renaissance'. From 1932 onwards, under the aegis of Principal Shri Rajendranath Sen, the college opened its doors to female students as well.

The turn of the nineteenth century marked the awakening of nationalist consciousness among the intelligentsia, and Krishnagar Government College was not to be left behind. Shri Manmohan Ghosh, Shri Pramathanath Bose, Shri Bijoylal Chattopadhyay, Shri Hemanta Sarkar and several other students of the college participated in the anti-colonial freedom struggle at one point or the other.

The students of this college have not been limited to political activism, but have also left a lasting imprint in the domain of art and culture. Eminent personalities of Bengali literature such as Pandit. Madan Mohan Tarkalankar and the Bengali Modernist poet Bishnu Dey have glorified the college as faculty members. Among its notable alumni, Nihar Ranjan Gupta and Narayan Sanyal have enriched Bengali literature. Beginning in 1867, the students of Krishnagar Government College have rendered numerous dramatic pieces on mythological, historical and social themes. The college also has a rich history so far as the active participation of its students in sporting events is concerned. The NCC Unit of the College, established in 1955, has also contributed remarkably towards the service of society.

While Krishnagar Government College had been affiliated to University of Calcutta from 1865 to 1998, in 1999 it came under the affiliation of University of Kalyani. In 2008, the college was awarded Grade "A" by the National Assessment and Accreditation Council (NAAC). In 2010, the college acquired the status of 'College with Potential for Excellence'. In 2015, the institution was awarded once again with Grade "A" by the NAAC. As recently as 2017, Krishnagar Government College has been chosen as 'the Best Performing College of Nadia District'. Being spurred by a glorious legacy of more than 175 years, the college is determined to pursue the path of excellence.

Attention towards holistic development of students has always been the priority of this prestigious institution. Apart from helping students in attaining career-goals, Krishnagar Government College has imparted among its students values such as environmental consciousness, health awareness and social responsibility-to ensure that succeeding generations strive to leave the world a better place than they found it.

NATIONAL EDUCATION POLICY (NEP)-2020

The National Education Policy (2020) was introduced by the Ministry of Education, Government of India, replacing the National Policy on Education (1986), with the purpose of recognizing the unique capabilities of each student besides allowing requisite flexibility of curricula with focus on conceptual learning to foster decision-making and innovation. For the purpose, care has been taken to integrate the local with the global, coupled with greater technological awareness suited to life in this digital age.

The University of Kalyani, following the directives of the Higher Education Department (266(31)-Edn(U)-EH/1U-45/2020(Pt.), Dated: 17.03.2023), Government of West Bengal, announced its decision to implement the 4-Year Undergraduate Programme, with multiple entry, exit and re-entry options, in keeping with the provisions of the NEP 2020. Henceforth, students can choose from a list of numerous major and minor courses, with fixed credit points to be earned for each. Besides the Major and Minor courses, students will also have to take up Multidisciplinary, Ability Enhancement, Skill Enhancement, Value Added and Summer Courses to fulfil their respective credit requirements.

Krishnagar Government College remains ever vigilant to the changing needs of time and the NEP is no exception. This age-old institution is gearing up to meet the challenges in order that education becomes holistic, inclusive and relevant to daily living.

The Undergraduate (UG) Degree Programmes of 4 year duration has multiple entry and exit points and re-entry options, with appropriate certifications.

- a. A UG certificate after completing 1 year (2 semester) of study in the chosen fields of study, provided that a skilled based vocational course (additional 4 credits) must be completed during the summer term by the students who will exit the Programme after securing 40 credits. These students will be allowed to re-enter the degree Programme within three years and complete degree Programme within the stipulated maximum period of seven (07) years.
- b. A UG diploma after 2 years (4 semester) of study, provided that a skill based vocational course (additional 4 credits) must be completed during the summer term by the students who will exit the Programme after securing 40 credits. DEPARTMENT OF GEOGRAPHY (U.G. & P.G.)

Brief Overview

The postgraduate department of Geography celebrated its Silver Jubilee in 2020. Established in 1996, the department had successfully started its postgraduate course in a very short duration (in 2003), with specialization in Urban Geography and Fluvial Geomorphology and is the precursor to the PG department of the University of Kalyani, which started in 2004. It was started by the noted stalwart Dr. Pranab Roy. The students have also been taught by Prof. Jayasri Ray Chaudhuri, who is presently the DPI of Department of Higher Education, Government of West Bengal.

From 2018-22, the department had been offering Honours course in Geography under the Choice Based Credit System (CBCS). However, following the directives of the University of Kalyani, in compliance with the NEP 2020, the department will be offering Major and Minor courses at the undergraduate level in Geography from the 2023-24 session.

Facilities

The department has a well-equipped GIS and RS laboratory. It has all the modern instruments and equipments (like total station, theodolite, dumpy level, velocity meter to name a few) needed for postgraduate study and beyond. The department also boasts of a rich seminar library that contains some rare books.

Modus Operandi

For further enrichment of the students, the department occasionally organizes seminars on contemporary issues of the discipline, which are delivered by dedicated experts in the field. Also as part of the curriculum, postgraduate students are mandatorily required to submit term papers, prepare dissertations, and also deliver presentations based on research that prepares them for the professional pitch. The lessons are not only confined to the college campus, but mandatory field trips are also conducted for both undergraduate and postgraduate courses, for partial fulfillment of curriculum under the University of Kalyani. Apart from producing university rank-holders consistently, students actively participate in extracurricular activities like dancing, singing, recitation, sports, etc. Each year at least one or two postgraduate students successfully qualify NET/SET/SLET.

DEPARTMENT OF MATHEMATICS

Brief Overview

Mathematics as a subject of the general course has been taught at Krishnagar Government College since 1875. However, Mathematics as an Honours subject was first offered in 1918 by the department. Under the current Choice Based Credit System (CBCS), the department offers Honours course in Mathematics which is of three years duration, consisting of six semesters. Mathematics is also offered as a general elective course to the students of some of the other departments.

The Department of Mathematics is boosted by the presence of a set of dynamic and dedicated faculty members with many years of valuable teaching experience and who are also engaged in quality research in their respective fields. The department got a new feather in its cap when the present HoD, Dr. Kalidas Das was honoured with the prestigious “**Shiksha Ratna 2019**” award by the Government of West Bengal in 2019 for his outstanding contribution in teaching and research throughout his career.

From 2018-2022, the department had been offering Honours and General courses in Mathematics. But, from the 2023-24 session onward, Major and Minor courses in Mathematics shall be offered by the department, following the guidelines of the University of Kalyani, in compliance with the NEP 2020.

Facilities

The department of Mathematics is furnished with a modern infrastructural set-up to aid the students and teachers in their quest to explore the fascinating world of numbers. The department has a separate building where three classrooms are used for taking theory classes. One of the distinguishing features of the department is its well-equipped computer laboratory where presently more than twenty five computers are used for holding practical classes. The department also has a rich seminar library from where students can borrow books.

Modus Operandi

The teachers constantly experiment with new pedagogic practices in the classroom in order to enhance the problem-solving abilities and analytical skills of the students. The fact that the students of this department secure their places in the university rank list in every academic year and many of them proceed to pursue higher studies in prestigious institutes like the IITs and the NITs, speaks volumes of this department.

DEPARTMENT OF PHYSICS

Brief Overview

Physics as a subject has been taught at the Krishnagar Government College since 1880. However, the department of Physics started its journey in 1962 by offering Physics as an Honours subject. The department started functioning in its current building from the year 1982. The department had been offering Physics as a subject both in the honours and general courses under the Choice Based Credit System (CBCS). From the 2023-24 session onward, Major and Minor courses in Physics shall be offered by the department, in compliance with the directives of the University of Kalyani, following the NEP 2020. The department since its inception has undertaken a progressive journey towards acquiring academic excellence thereby establishing itself as one of the most prominent departments at the college.

Facilities

The department of Physics is equipped with a state-of-the-art infrastructural set-up to support adequately the teaching-learning process. The department has several classrooms including three spacious gallery rooms. One of the gallery rooms is ICT enabled which facilitates imparting education to the students more efficiently. There are several big laboratories, including a fully air-conditioned optical laboratory and a very well-equipped computer-laboratory. The department also has a rich departmental seminar library having almost 500 books.

Modus Operandi

As the department constantly strives for attaining academic excellence, it promotes original thinking among the students and also encourages them to move beyond syllabus-centric study. The fact that most of the students of the department get more than 60% of marks in their university examinations, proves the effectiveness of the teaching methods followed in the department. The department also takes pride in its alumni who have excelled in different fields.

DEPARTMENT OF PHYSIOLOGY

Brief Overview

The Department of Physiology, Krishnagar Government College, was established in the year 1988. The department initially offered Physiology as a General subject. However, UG Honours programme in Physiology was introduced in 1998. In 2018, following UGC directives, the department rolled out the Choice Based Credit System (CBCS), offering Honours and General courses for undergraduate students. However, from the 2023-24 session onwards, the department shall be offering undergraduate Major and Minor courses in Physiology, following the regulations laid down by the University of Kalyani, in compliance with the NEP 2020.

Facilities

The department is equipped with adequate infrastructural facilities to meet the demands of the teaching-learning process. It has a number of modern laboratories that include a Histology laboratory, a Biochemistry laboratory, a Microbiology laboratory, a Computer laboratory with internet connectivity and an Experimental Physiology laboratory. The department also has a well-stocked seminar library from where students can borrow books.

Modus Operandi

The department attempts to enhance the analytic skills of the students in an intellectual environment that is stimulating and nurturing. It provides an engagement with topics as varied as cellular basis of Physiology, biological physics and enzymes, chemistry of bio-molecules, circulating body-fluids, metabolism and nutrition, endocrinology, and reproductive function. The faculty employs learner-centric pedagogy to maximize the learning process. The students graduating from this department are well-trained either to pursue higher studies and move into the field of research or to find employment in other sectors. The students are also encouraged to participate in co-curricular activities.

DEPARTMENT OF STATISTICS

Brief Overview

The Department of Statistics, Krishnagar Government College, came into existence in 1981. From 2018-2022 under the Choice Based Credit System (CBCS), the department had been offering only General course in Statistics. This course provides an exciting opportunity to engage with the quantitative aspects of the social, biological and physical sciences. Generally students from Mathematics, Economics and Physics departments opt for this subject. Since its inception, the department strives hard to maintain its distinctive competence.

From the 2023-24 session, both Major and Minor courses in Statistics shall be offered by the department, following the regulations of the University of Kalyani, in compliance with the NEP 2020.

Facilities

The department is housed at the Mathematics department building. It has a well-stocked seminar library to serve the needs of the students.

Faculty Members : Number of Posts-02

1. Dr. Subrata Rana, Assistant Professor & HOD
2. Sri. Goutam Barman, Assistant Professor.

Modus Operandi

In spite of its limitations, the department of Statistics always endeavors to impart quality education to the learners. Focusing on the increasing role of Statistics in diverse areas and its indispensability in marketing, finance and strategy-making, students are trained to acquire tools in the areas of Applied Statistics, statistical methods and analysis. As the intake capacity of the department has been augmented significantly in the last three years, the faculty members experiment with new pedagogic practices to cater to the needs of the increasing number of students. The emphasis of the teaching-learning process is on relating statistical concepts to real world ideas that are relatable to the students.

3. Dr. Munmun Ghosh, Assistant Professor
4. Smt. Piali Khan, Assistant Professor

Modus Operandi

Faculty members at the Department of Bengali are ever-aware of their important role in sustaining the glory and the heritage of the venerable institution. As language teaching and literary studies become increasingly enmeshed in the matrix of culture studies in a globalized scenario, the Department of Bengali responds to the need of the hour by incorporating more and more technology-based pedagogic practices in the language learning classroom. Significant among others is the introduction of the LCD projector, utilized regularly to exhibit films relevant to the syllabus. The department periodically organizes invited lectures to better orient the students. To promote research activity among students seminars and conferences are regularly organized. Regular visits to places of literary interest and historical importance are arranged for empirical enlivening of bookish knowledge. The department aims to empower the students with relevant knowledge, competence and creativity to face the challenges in different spheres of their life.

DEPARTMENT OF ENGLISH

Brief Overview

The Department of English is one among the four (English, Sanskrit, History, Philosophy) inaugural departments with which Krishnagar Government College began its journey in 1846. From 2018-2022, the department had been offering Undergraduate Honours and General courses. However, from the 2023-24 academic session, following the directives of the University of Kalyani, in compliance with the NEP 2020, the department shall offer Major and Minor courses in English. The aim of the department is to acquaint students with world 'Englishes' in a globalised scenario, besides maintaining critical focus on literature from the British isles. ELT, Linguistics and Skill-Enhancement courses have been included in the UG CBCS curriculum to familiarize students with recent trends in English studies. In its illustrious history, the department boasts of several alumni who have established themselves in prestigious positions in society, ranging from administration to academics.

Facilities

The Department of English has one state-of-the-art Language Laboratory, used for interactive learning purposes, especially in the field of Linguistics.

Modus Operandi

The department of English seeks to provide the students with a stimulating and nurturing learning environment in order to develop their critical and creative abilities. Arcadia, the wall-magazine of the department, is a platform where the students can realize their creative potentials. The classes are interactive spaces where students are encouraged to ask questions, engage in discussions and also to respect the opinions of others. The faculty members take special care in arranging tutorial and remedial classes to provide the students with valuable feedback. The department also organizes special lectures, film screenings, seminars etc. to widen the knowledge of the students.

DEPARTMENT OF PHILOSOPHY (U.G. & P.G.)

Brief Overview

Established in 1846, the Department of Philosophy is as old as Krishnagar Government College itself. In spite of several changes, the department has remained steadfast to its aim of maintaining academic excellence. Over the years, several scholars and professors of towering stature have graced the department. The most renowned among them was Professor Gopinath Bhattacharya, under whose tutelage the hallowed Department of Philosophy at Jadavpur University came into existence. Between 2018 and 2022, the Department of Philosophy had been offering Undergraduate (Honours and General) courses following the Choice Based Credit System (CBCS) mode. From the 2023-24 academic session onwards, the department shall offer Major and Minor courses in Philosophy at the undergraduate level, as directed by the University of Kalyani, in compliance with the NEP 2020. The department also offers a Postgraduate programme in Philosophy.

Facilities

One of the most reputed departments of the college, the Department of Philosophy, Krishnagar Government College, comprises of serious, committed faculty members with specialization in various areas of Philosophy like Indian & Western Philosophy, Logic (Indian & Western), Ethics (Indian & Western), Continental Philosophy, Philosophy of Religion and a host of others. The department has its own, separate building, which is endowed with commendable facilities. The Seminar Library of the department is a treasure trove of rare books and journals amassed over the course of its 175 year history.

Modus Operandi

The primary endeavor of the department has always been enkindling young minds to the point that they engage in critical discussions on topics relevant to the discipline. Following the global trend in academia, interdisciplinary thinking is promoted by means of special lectures, invited lectures and seminars organized from time to time. Through rigorous academic training and critical thinking, our students have become capable of exploring a wide range of career choices, glorifying their alma mater through significant contributions in fields such as academics, administration, social service and others.

DEPARTMENT OF POLITICAL SCIENCE

Brief Overview

The Department of Political Science of Krishnagar Government College was established in the year 1952. The Department has traditionally provided Honours and General Courses at the undergraduate level. The Department successfully adopted the CBCS system introduced by the University of Kalyani in 2018 and conducted its GE, SEC and DSE courses in collaboration with the departments of Bengali, History, English, Sanskrit and Geography till 2022. From the 2023-24 academic session onward, the department shall offer Major and Minor courses in Political Science, following the directives of the University of Kalyani, in compliance with the NEP 2020. The Department actively participates in extra-curricular activities and boasts of a qualified, able and diverse faculty engaged in research in publication in fields such as Postcolonial Political Theory, Gender, International Relations etc.

Facilities

In order to facilitate an environment conducive to teaching-learning, the department presently uses three class rooms at the main building of the college. The department is equipped with a well-stocked seminar library, enhanced regularly with addition of diverse books of high quality acquired from the RUSA grant. The students are further encouraged to explore the Central Library of their college for text as well as reference books. The department frequently uses the digital classroom facilities afforded by the college.

Modus Operandi

Political Science is principally a theoretical subject at the undergraduate level. However, the department attempts to instill a sense of context and perspective in the minds of the students by frequently resorting to activities such as the Youth Parliament, National Voter's Day observation and frequent participation in subject-related quiz contests, extempore etc. to keep their interest alive in the subject. Parents-Teacher meetings are organized to keep the parents abreast of their ward's activities inside the college. Academic as well as professional careers of several students from this department testify to its strength. In the recent past, the department has witnessed many of its students pursuing further study and research at eminent institutes of the state as well as the country.

Prevention of Caste Discrimination

In compliance with the UGC directives against caste-discrimination in the Higher Education Institutes of the country, Krishnagar Government College has adopted a zero tolerance approach towards all sorts of discrimination among students or staff on the basis of caste, creed, language and region of origin/residence. A Committee Against Prevention of Caste Discrimination has been set up, whose express task is to look into complaint(s) in this regard, if any, investigate and take necessary steps. Students are clearly directed to desist from making any gestures-verbal or otherwise, which may be derogatory in intent towards any caste/creed/linguistic or regional community.

However, if any student(s) feel thus insulted/mocked/abused, he/she may lodge a complaint by sending an email (greivancecell.kgc@gmail.com) to the Convenor of the Committee Against Prevention of Caste Discrimination, Krishnagar Government College. The said committee shall take up the matter with utmost seriousness. Based on their enquiry, decision regarding the complaint shall be taken by the college administration, in compliance with the relevant statutes of the UGC.

CODE OF CONDUCT FOR GUARDIANS

Krishnagar Government College has served as a time-tested institution of human resource development. Throughout its 177-year history, the college has been able to run successfully because the faculty, staff members, students and guardians have co-operated with one another. The college administration expects to receive such co-operation from guardians who send their wards to this college in the future. Guardians are expected to follow the Code of Conduct listed below:

1. The term parents/guardians refers to persons mentioned under relevant columns by the student while taking admission in this college.
2. Parents/guardians are expected to note the rules and regulations applicable to the students and prepare their wards accordingly. Decency, decorum, seriousness, punctuality, sense of fraternity and maintenance of general hygiene must be promoted by the guardians among their wards.
3. Guardians should encourage their wards to be courteous and empathetic towards fellow students and college officials. Guardians should especially advise students to desist from ragging, caste discrimination and any form of sexual harassment. Krishnagar Government College has adopted a zero tolerance policy against them and students are liable to face strict punishment in case of involvement in any of them.
4. Guardians must ensure that students are attending the college regularly and performing the required tasks. In case of health or any other kind of emergency, the college administration must be informed.
5. Parents are advised to keep track of their ward's progress in class tests and semester examinations.
6. Parent Teacher Meetings are held regularly and the college expects guardians to be present on those occasions, so that they may communicate directly with faculty members (and the college administration, if required) to ensure desired progress of the students.
7. Parents are expected to keep abreast of Government Scholarship Schemes available for students and guide their students to avail them on time.
8. In case of any dispute regarding any matter related to their ward, guardians are expected to sort the matter following established rules and regulations. Any discrepancy, doubt or dispute must be brought to the notice of the college administration. The college administration will strive to co-operate with them in this regard and find solutions at the earliest.

CODE OF CONDUCT FOR TEACHERS

The code of conduct for teachers are guided by W.B.S.R (Vol-I)

Internal Quality Assurance Cell (IQAC)

According to the guidelines of the National Assessment and Accreditation Council (NAAC), the Internal Quality Assurance Cell (IQAC) at the Krishnagar Government College was established in 2008 as a post-accreditation initiative to enhance and sustain the quality of the teaching-learning process. One of the pillars to uphold the culture of excellence established at the college, the IQAC promotes innovation, advocates inclusion and catalyses the holistic growth of the primary stakeholders.

The primary objectives of the IQAC as per the NAAC guidelines are : To develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the institution. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

It is an actively functioning unit of the college that establishes coordination among the Principal, faculty members and other stakeholders involved in the teaching-learning process. At the beginning of every academic year, the IQAC chalks out the plan of action for the institutional development, monitors their implementations and evaluates the outcome achieved by the end of the year which gets reflected in the Annual Quality Assurance Report (AQAR). Under its leadership, the faculty members are continuously encouraged to update themselves and to impart that updated knowledge to the students. It gives emphasis upon the creation of a learner-centric environment and positively encourages the teachers for greater use of the ICT enabled teaching-learning process. It also uses the feedback received from different stakeholders to make an overall assessment of teaching-learning process in the college. The functions of the IQAC further include the documentation of various programmes/activities of the college and the promotion of quality related activities and issues through various programmes such as seminars, workshops, symposia, panel discussions etc. for all the stakeholders of the institution. It also encourages self-evaluation and accountability which are crucial for maintaining the required standard at the academic as well as administrative level of the college.

Students' Union

The Students' Union is comprised of the representatives from the Under Graduate and Post Graduate levels. The Students' Union is responsible for annual publication of the college magazine, maintenance of the common rooms, conducting sports and games and recreational activities and annual sports. Moreover, it conducts blood donation camps, plantation, programs for maintenance of flora around the college campus and related activities. Besides, Freshers' Welcome, Teacher's Day celebration, activities within the purview of the Study Circle such as, Recitation, Quiz, Debate, Extempore, other cultural activities and College Annual Function are also organized by the Students' Union.
