

COLLEGE PROSPECTUS - 2020

KRISHNAGAR GOVERNMENT COLLEGE

(ESTD. 1845)

(NAAC Accredited "A" Grade Institution
Affiliated to the University of Kalyani)

(1845-2019)

Celebrating 175th Anniversary 2019

KRISHNAGAR GOVERNMENT COLLEGE PROSPECTUS 2020

OUR GLORIOUS PAST

Krishnagar Government College was founded by the colonial British Government as part of the endeavour to disseminate Western education following the Macaulay formula among colonial subjects chiefly through the medium of English. With the sanction of contemporary Governor General of India Lord Hardinge, a Government order was issued regarding the foundation of a college at Krishnagar, Nadia on 1st October 1845. Following its formal foundation on 28th November, 1845, both school and college sections commenced functioning in a rented house at Hatarpara, Krishnagar from 1st January, 1846. The prestigious institution shifted to its present campus (built on land contributed by Maharaja Srish Chandra Roy of Nadia and Maharani Swarnamoyee Devi of Cossimbazar, Murshidabad) from June 1856. Since 1855, the college had been placed under the purview of the Director of Public Education and was brought under the affiliation of the University of Calcutta in 1865. The first principal of the College, Captain D.L. Richardson, was a renowned Shakespearean scholar, under whom the fledgling institution took rapid strides towards excellence, with sage guidance from teachers like Babu Ramtanu Lahiri, Pandit Madan Mohan Tarkalankar and others-who were stalwarts in their respective domains. Besides academic prowess, contemporary students of the college were emboldened to question age-old norms in religion, politics and culture, as part of the contemporary zeitgeist fostered by the nineteenth century 'Bengal Renaissance'. From 1932 onwards, under the aegis of Principal Shri Rajendranath Sen, the college opened its doors to female students as well.

The turn of the nineteenth century marked the awakening of nationalist consciousness among the intelligentsia, and Krishnagar Government College was not to be left behind. Shri Manmohan Ghosh, Shri Pramathanath Bose, Shri Bijoylal Chattopadhyay, Shri Hemanta Sarkar and several other students of the college participated in the anti-colonial freedom struggle at one point or the other.

The students of this college have not been limited to political activism, but have also left a lasting imprint in the domain of art and culture. Eminent personalities of Bengali literature such as Pandit.

Madan Mohan Tarkalankar and the Bengali Modernist poet Bishnu Dey have glorified the college as faculty members. Among its notable alumni Nihar Ranjan Gupta and Narayan Sanyal have enriched Bengali literature. Beginning in 1867, the students of Krishnagar Government College have rendered numerous dramatic pieces on mythological, historical and social themes. The college also has a rich history so far as the active participation of its students in sporting events is concerned. The NCC Unit of the College, established in 1955, has also contributed remarkably towards the service of society.

While Krishnagar Government College had been affiliated to University of Calcutta from 1865 to 1998, in 1999 it came under the affiliation of University of Kalyani. In 2008, the college was awarded Grade "A" by the National Assessment and Accreditation Council (NAAC). In 2010, the college acquired the status of 'College with Potential for Excellence'. In 2015, the institution was awarded once again with Grade "A" by the NAAC. As recently as 2017, Krishnagar Government College has been chosen as 'the Best Performing College of Nadia District'. Treading along the path of its glorious history, the institution has now entered the 175th year of its illustrious existence.

Attention towards holistic development of students has always been a priority of this prestigious institution. Apart from helping students in attaining career-goals, Krishnagar Government College has imparted among its students values such as environmental consciousness, health awareness and social responsibility-to ensure that succeeding generations strive to leave the world a better place than they found it.

PROFILE OF THE COLLEGE

- Established on 28th November 1845.
- Government College under the purview of the Director of Public Instruction, Government of West Bengal since January 1855.
- Co-educational institute affiliated to University of Kalyani offering UG Pass, Honours as well as PG Courses.
- **NAAC Accredited A - Grade College in 2008 (CGPA: 3.14), 2015 (CGPA: 3.17).**
- UGC identified Institution as College with '**Potential for Excellence**' in 2010.
- Recognized as '**the Best Performing College in Nadia District**' by University of Kalyani in 2017.
- Conveniently located. Accessible both by road and railway.
- Rambling campus with area of about 24 acres including 2 playgrounds.
- Comprises the age-old Main Building, where the Office of the Principal and sundry Departments are located. Besides, there are seven separate buildings lodging many of the other departments. The spacious Central Library Building is home to thousands of rare as well as contemporary books and journals.
- The College offers **B.Sc. (Honours)** degree in the following seven subjects: Botany, Chemistry, Geography, Mathematics, Physics, Physiology and Zoology. Statistics is available as a General subject for B.Sc. students.
- The College offers **B.A. (Honours)** degree in the following seven subjects: *Bengali, English, Economics, History, Philosophy, Political Science and Sanskrit.*
- The College offers **B.Sc. (General)** degree in *Science.*
- The College offers **B.A. (General)** degree in *Arts/Humanities/Social Science.*
- The College offers **M.Sc. degree** in *Geography, Zoology.*
- The College offers **M.A.** degree in *Geography, Bengali and Philosophy.*
- Academic activities of the college are guided by the **Choice Based Credit System (CBCS)** form of education from the academic year 2018-19 onwards, following the instructions and guidelines of the University of Kalyani, with the **Semester mode** (6 months each) of Curriculum Division and Examination.

FROM THE PRINCIPAL'S DESK

Greetings and welcome to you all from Krishnagar Government College, a College which is celebrating its 175th Years of establishment. This College having more than 4000 students capacity in 14 Honours, 4 PG and in 2 General Programme Courses and nearly 100 staff members is one of the finest College under Kalyani University. Krishnagar Government College, an institution par-excellence and the best Performing College of Nadia District under the University of Kalyani and College under the direct Control of Higher Education Dept., Government of West Bengal.

A premier College with highly qualified academicians imparting education in different fields of Science and Arts education both in UG & PG level, the College today enjoys a reputation for outstanding performance in academics. The outstanding academic performance of the college is evident from the results in the final year examinations.

Education, which serving many fold purposes is not merely an act of acquiring knowledge but learning a skill to lead life and forming one's personality and future profession. Education is the tool for social, economical and philosophical emancipation. This is an ennobling process of growth and holistic development and also to produce intellectually sound, morally upright, socially concerned young men and women to be of service to the nation. This is evident from the list of noble Alumni this college has produced during its long and continuous journey of 175 yrs.

This College is substantially contributed to the process of Nation building since pre independent India by providing quality education. We have plans and dreams in the years to come. We

propose to introduce Academic Audit for every Department by both internal and external experts. This aims at the regular scrutiny of the quality of teaching

I can boldly say that we have excelled in every initiative that we undertook and we have stood together in facing the challenges in imparting quality education.

I feel happy when bright and talented students perform remarkably well. However what makes me happier is that when a socioeconomically weaker student progresses steadily overcoming his/her difficulties.

I would like to mention here, this yr since mid of March 2020 we are facing an unusual situation of COVID-19 pandemic in our country and state of West Bengal along with many European countries and USA. Govt. declared LOCKDOWN and schools and Colleges are under lock and key for the last about 4 months. Also it is not clear at this point of time when situation will normalize but I would hope that soon situation will be conducive when once again hundreds of students will return to campus for their academic endeavor for better academic excellence.

Dr. Sobhan Niyogi

Associate Professor, Dept of Chemistry
and
Officer in Charge
Krishnagar Government College

Choice Based Credit System

University Grants Commission has come up with the Choice Based Credit System (CBCS) programme in which the students have a choice to choose from the prescribed courses, which are referred as core, elective or minor or soft skill courses and they can learn at their own pace and the entire assessment is graded-based on a credit system. The basic idea is to look into the needs of the students to keep up-to-date with development of higher education in India and abroad. In response to the notification of University of Kalyani, the Undergraduate Board of Studies of University of Kalyani has revised and modified syllabi of different subjects under Semester and CBCS scheme following the recommendations and Guidelines of UGC and WBHEC. The ultimate goal of the syllabus is that the students at the end are able to secure a job. Keeping in mind and in tune with the changing nature of the subject, adequate emphasis has been given on new techniques and understanding of the subject.

With this objective Krishnagar Government College is always ready to give emphasis on Modern Education system and is ready to adopt this CBCS already proposed by the University to all its UG and PG departments.

Rules and regulations for admission in UG Course

1. The following conditions (regarding marks) are to be fulfilled by an applicant seeking admission in Honours Course.

1.1. Aggregate of 45% marks in the previous examination (+2), 55% marks in relevant subject or related subjects.

or

1.2. Aggregate of 50% marks in the previous examination (+2), 45% marks in relevant subject or related subjects.

or

1.3. Aggregate of 55% marks to be obtained where the applicant has not studied the relevant subject or related subjects.

1.4. Relaxation of 5% in total aggregate for the SC/ ST applicants.

2. An applicant of B.A. (General) Course should have 40% aggregate marks in the best 5 subjects and B.Sc. (General) Course should have 45% marks in the best 5 subjects respectively in the previous examination. Passing the +2 examination is the only criterion for SC/ST applicants.

3. Subjects related to Economics: Mathematics, Statistics and Business Economics & Business Mathematics.

4. Subject related to Philosophy: Psychology.

5. If Honours Subject is Chemistry; the candidate should pass out in Chemistry, Physics and Mathematics in the previous examination (+2).

6. If a candidate seeks admission in Mathematics as the Honours or a General subject, he/ she should pass out in Mathematics in the previous examination (+2).

7. If a candidate seeks admission in Physics as the Honours or a General subject, he/ she should pass out in Mathematics and Physics in the previous examination (+2).

8. If a candidate seeks admission in Botany, Zoology as the Honours or a General subject he/ she should pass out in Life Science/ Biology in the previous examination (+2).

9. A candidate shall be allowed to take up Honours in Physiology only if he/she has passed in Biological Sciences and Chemistry at the previous qualifying examination (+2).

10. All the applicants must pass out in English of at least 100 marks in the previous examination (+2).

Reserved Seats

Scheduled Castes: 22%, **Scheduled Tribes:** 6%, **OBC-A:** 10%, **OBC-B:** 7% , **Physically Handicapped:** 5% (within each category), **Sports:** one seat in each Honours subject; 5% seats (not more than two) for B.A. /B.Sc. Gen. Course.

Eligible Games:

1. **For Male Candidates:** Athletics, Badminton, Basket Ball, Cricket, Foot Ball, Gymnastics, Hand Ball, Hockey, Kabaddi, Kho-Kho, Table Tennis, Volley Ball.

2. **For Female Candidates:** Athletics, Badminton, Basket Ball, Gymnastics, Hand Ball, Hockey, Kabaddi, Kho-Kho, Table Tennis, Volley Ball.

Parameters of Eligibility:

1. Playing experience in Games and Sports of minimum 02 years at the Inter-University Level.

2. Participation in Inter District School, or, State Inter -School, or, State-Junior, or, Open Inter District Tournaments, or, State Open Championship, Calcutta First Division Championships.

3. Certification from State Level Games Organization, The District Officer for Physical Education, DSA or DSSA shall only be accepted.

Note: Students who have passed their Higher Secondary or its equivalent examinations earlier than the year of 2020 will have 2% of their aggregate marks deducted.

DEPARTMENT OF PHYSICS

Brief Overview

Physics as a subject has been taught at the Krishnagar Government College since 1880. However, the department of Physics started its journey in 1962 by offering Physics as an honours subject. The department started functioning in its current building from the year 1982. Presently the department offers Physics as a subject both in the honours and general courses under the Choice Based Credit System (CBCS). The department since its inception has undertaken a progressive journey towards acquiring academic excellence thereby establishing itself as one of the most prominent departments at the college.

Facilities

The department of Physics is equipped with a state-of-the-art infrastructural set-up to support adequately the teaching-learning process. The department has several classrooms including three spacious gallery rooms. One of the gallery rooms is ICT enabled which facilitates imparting education to the students more efficiently. A number of big laboratories including a fully air-conditioned optical laboratory and a very well-equipped computer. The department also has a rich departmental seminar library having almost 500.

Faculty Members

1. Dr. Bishwajit Paul, Assistant Professor and HOD
2. Sri. Arjun Das, Assistant Professor
3. Dr. Nirmalendu Hui, Assistant Professor
4. Dr. Subhadip Nath, Assistant Professor
5. Dr. Hiranmay Pal, State Aided College Teacher

Modus Operandi

As the department constantly strives for attaining academic excellence, it promotes original thinking among the students and also encourages them to move beyond the syllabus-centric study. The fact that most of the students of the department get more than 60% of marks in their university examinations, proves the effectiveness of the teaching methods followed in the department. The department also takes pride in its alumni who have excelled in different fields.

Celebration of 175th Anniversary of our College

DEPARTMENT OF CHEMISTRY

Brief Overview

The department of Chemistry, Krishnagar Government College, started its journey in 1873 with the UG General course in Chemistry. However, the UG Honours course in Chemistry was introduced in 1951. The department has evolved over the time and remained committed to academic excellence. Under the Choice Based Credit System (CBCS), the department besides offering Honours course in Chemistry, offers Chemistry General course to the students of Physics, Mathematics, Botany, Zoology and Physiology Honours. The department is privileged to have extremely dynamic and dedicated faculty members who have made notable contributions in their own fields.

Facilities

In order to facilitate the teaching-learning process, the department is endowed with good infrastructural facilities which include three theory class rooms, four laboratories and a computer room. The department also has a well-equipped seminar library from where books are lent to the students on a regular basis.

Faculty Members

1. Dr. Sobhan Niyogi, Associate Professor & Officer-in-Charge of the College
2. Dr. Pritha Mandal, Assistant Professor & HOD
3. Dr. Debajyoti Saha, Assistant Professor
4. Dr. Abhijit Biswas, Assistant Professor
5. Dr. Rubina Rahman, Assistant Professor

Modus Operandi

The department of Chemistry attempts to provide the students with a vibrant learning environment in order to foster in them original analytical thinking. The department also organizes seminars, workshops, special lectures by eminent scientists from different research institutes and IITs, and industry visits to keep the students up to date with the latest developments in the field. The thrust of the department is on promoting interdisciplinary learning in order to equip the students with necessary skills required to compete with confidence in different sectors of this ever-changing society. The fact that several alumni of this department have established themselves in different fields—from academics to administration, bears testimony to it. The department intends to go forward with same sincerity and dedication.

Department celebrating 175 Anniversary of our college

Department organized a seminar cum workshop

DEPARTMENT OF MATHEMATICS

Brief Overview

Mathematics as a subject of the general course has been taught at Krishnagar Government College since 1875. However, mathematics as an Honours subject was first offered in 1918 by the department. Under the current Choice Based Credit System (CBCS), the department offers Honours course in mathematics which is of three years duration consisting of six semesters and also offered as a general elective course to the students of some of the other departments.

The department of mathematics is boosted by the presence of a set of dynamic and dedicated faculty members with many years of valuable teaching experiences and who are also engaged in quality research in their respective fields. The department got a new feather in its cap when the present HOD, Dr. Kalidas Das was honoured with the prestigious "Siksha Ratna 2019" award by the Government of West Bengal in 2019 for his outstanding contribution in teaching and research through out his career.

Facilities

The department of Mathematics is furnished with a modern infrastructural set-up to aid the students and teachers in their quest to explore the fascinating world of numbers. The department has a separate building where three classrooms are used for taking theory classes. One of the distinguishing features of the department is its well-equipped computer laboratory where presently more than twenty five computers are used for holding practical classes. The department also has a rich seminar library from where students can borrow books.

Modus Operandi

The teachers constantly experiment with new pedagogic practices in the classroom in order to enhance the problem-solving abilities and analytical skills of the students. The fact that the students of this department secure their places in the university rank list in every academic year and many of them proceed to pursue higher studies in prestigious institutes like the IITs and the NITs speaks volumes of this department.

Faculty Members

1. Dr. Kalidas Das, Associate Professor, HOD
2. Dr. Pranab Bhattacharjee, Assistant Professor
3. Dr. Gopal Das, Assistant Professor
4. Dr. Sujit Ghosh, Assistant Professor

Teacher's Day Celebration, 2019

DEPARTMENT OF BOTANY

Brief Overview

The Department of Botany, Krishnagar Government College came into existence in the year 1984. Initially the department used to offer Botany only as a General subject. Later on the Department of Botany began offering the subject to students of Undergraduate Honours as well as Pass course. Effective from the 2018-19 academic session, the Department of Botany in concurrence with University of Kalyani directives following UGC guidelines, started functioning under the CBCS Mode. The department besides offering Honours course in Botany offers Botany General Course to the other Honours students. The department is privileged to have extremely dynamic and dedicated faculty members who have made notable contributions in their own fields.

Educational tour with UG students

Facilities

In order to facilitate the teaching-learning process, the department is endowed with good infrastructural facilities which include two galleries for theory classes and five laboratories for students' practical classes as well as research work of faculty members. The Department has a very good Seminar Library with huge stock of text books and reference books for use of the students. Books are regularly issued to students under the supervision of one of our faculty member.

Faculty Members

1. Dr. Pintu Banerjee, Associate Professor & HOD
2. Dr. Sharmistha Maity, Associate Professor
3. Dr. Rituparna Kundu Chaudhuri, Assistant Professor
4. Dr. Somanjana Khatua, Assistant Professor

Modus Operandi

The department of Botany tries to ensure for the students an energetic learning environment that would hopefully foster stimulate them to indulge in original scientific thinking. Seminars, Workshops, Special Lectures graced by the presence of eminent personalities related to the discipline are organized by the department from time to time, with the objective of boosting the inquisitive temper of the students besides acquainting them with the latest developments in the field. A major impetus of the department is the promotion of interdisciplinary learning, simultaneously endowing the students with requisite skills, thus empowering them accommodate themselves in different sectors of our ever-changing society. Several alumni of this department have established themselves in diverse fields ranging from academics to administration. The intention of the department is to maintain the high standard it has set since its inception, banking on sincerity, devotion and co-operation.

DEPARTMENT OF ZOOLOGY (U.G. & P.G.)

Brief Overview

The department of Zoology, Krishnagar Government College, commenced its journey in the year 1984. However, the post graduate course in Zoology was introduced in 2010. At present, it offers both honours and general courses in Zoology under the Choice Based Credit System (CBCS) along with offering PG course in Zoology. The department is housed at the Botany building. It occupies a distinguished place at the college due to its quality of teaching and level of research.

Educational tour with UG and PG students

Facilities

The department is well-furnished with a modern infrastructural set up including four state-of-the-art laboratories, one central instrument room, a computer and microscopy room and a rich museum. The laboratories are equipped with modern sophisticated instruments such as electrical microscopes with camera, UV spectrophotometer, PCR machine, centrifuge machine, refrigerator, hot air oven, autoclave, egg incubator etc. One among the four theory classrooms of the department has been converted into a smart class room for imparting quality education to the students. The departmental seminar library has a good stock of text books and reference books for use by the students.

Faculty Members

1. Dr. Sumana Das, Assistant Professor, HOD
2. Dr. Sutapa Sanyal, Assistant Professor
3. Dr. Himani Biswas, Assistant Professor
4. Sri. Chandan Sarkar, Assistant Professor
5. Dr. Tanmay Sanyal, Assistant Professor
6. Dr. Sumana Mukherjee Tarafdar, SACT

Modus Operandi

The department attempts to provide the students with a joyful learning environment in order to ensure their whole-hearted participation in learning. The faculty experiments with innovative pedagogic practices to make the teaching-learning process more effective. Hands on experience in different fields is provided to the students through field visits, trips etc. Over the years, the department has produced students who have excelled in university examinations. A number of students of the department have qualified prestigious exams like JGEEBILS (TIFR), JAM (BL and BT), JNU-CEEB etc. or pursued doctoral research in eminent institutes like NIBMG, IISER, Bose institute etc. As the department seeks to achieve holistic development for individual students, it also encourages them to participate in extra-curricular activities like model and poster making, room decoration etc., and college programmes.

Microscopy Laboratory

Fishery and Aquaculture Laboratory

DEPARTMENT OF PHYSIOLOGY

Brief Overview

The Department of Physiology, Krishnagar Government College, was established in the year 1988. The department initially offered Physiology as a General subject. However, UG Honours programme in Physiology was introduced in 1998. In 2018, following UGC directives, the department rolled out the Choice Based Credit System (CBCS).

Department celebrating 175 Anniversary of our college

Facilities

The department is equipped with adequate infrastructural facilities to meet the demands of the teaching-learning process. It has a number of modern laboratories that include a Histology laboratory, a Biochemistry laboratory, a Microbiology laboratory, a Computer laboratory with internet connectivity and an Experimental Physiology laboratory. The department also has a well-stocked seminar library from where students can borrow books.

Faculty Members

1. Dr. Maitrayee Banerjee (Mukherjee), Assistant Professor & HOD
2. Dr. Achintya Mohan Goswami, Assistant Professor
3. Dr. Kaushik Sarkar, Assistant Professor
4. Dr. Krishnendu Sarkar, Assistant Professor

Modus Operandi

The department attempts to enhance the analytic skills of the students in an intellectual environment that is stimulating and nurturing. It provides an engagement with topics as varied as cellular basis of Physiology, biological physics and enzymes, chemistry of bio-molecules, circulating body-fluids, metabolism and nutrition, endocrinology, and reproductive function. The faculty employs learner-centric pedagogy to maximise the learning process. The students graduating from this department are well-trained either to pursue higher studies and move into the field of research or to find employment in other sectors. The students are also encouraged to participate in co-curricular activities.

Parent Teachers Meeting, 2019

Participation of students in NSS program

DEPARTMENT OF GEOGRAPHY (U.G. & P.G.)

Brief Overview

The postgraduate department of Geography is celebrating its Silver Jubilee in 2020. Established in 1996, the department had successfully started its postgraduate course in a very short duration (in 2003), with specialization in Urban Geography and Fluvial Geomorphology and is precursor to the PG department of the University of Kalyani, which started in 2004. It was started by the noted stalwart Dr. Pranab Roy. The students have also been taught by Prof. Jayasri Ray Chaudhuri, who is presently the DPI of Department of Higher Education, Government of West Bengal

Facilities

The department has a well-equipped GIS and RS laboratory. It has all the modern instruments and equipments (like total station, theodolite, dumpy level, velocity meter to name a few) needed for postgraduate study and beyond. The department also boasts of a rich seminar library that contains few rare books.

Faculty Members

1. Dr Lila Mahato, Associate Professor, HOD
2. Dr Balai Chandra Das, Associate Professor
3. Smt. Sarmistha Das, Assistant Professor.
4. Smt. Indrita Saha, Assistant Professor.
5. Dr. Samsul Hoque, Assistant Professor.
6. Dr. Debika Ghosh, Assistant Professor.
7. Sri. Mehedi Hasan Mandal, Assistant Professor
8. Sri. Alok Roy, Assistant Professor
9. Smt. Kaustabi Maitra, SACT
10. Dr. Bhaskar Samanta, SACT
11. Smt. Payel Bhattacharya, SACT

Modus Operandi

For further enrichment of students, the department occasionally organizes seminars on contemporary issues of the field, which are delivered by dedicated experts in the field. Also as a part of the curriculum, postgraduate students are mandatorily required to submit term papers, prepare a dissertation, and also deliver a presentation based on research that prepares them for the professional pitch. The lessons are not only confined to the college campus, but mandatory field trips are also conducted for both undergraduate and postgraduate courses, for partial fulfillment of curriculum under the University of Kalyani. Apart from producing university rank-holders consistently every year, students actively participate in extracurricular activities like dancing, singing, recitation, sports, etc. Each year at least one or two postgraduate students successfully qualify NET/SET/SLET.

UG Educational Excursion

DEPARTMENT OF ECONOMICS

Brief Overview

The department of Economics at Krishnagar Government College was established in the year 1941. It, therefore, carries with it a glorious heritage of almost eighty years. Presently, the department offers both honours and general courses in Economics under the Choice Based Credit System (CBCS). The department functions as a well-knit community of accomplished and highly committed teaching faculty and a very vibrant group of student body.

Department celebrating 175 Anniversary of our college

Facilities

The department has two theory classrooms at the main building of the college. It also has a well-stocked seminar library from where students can borrow books.

Faculty Members

1. Dr. Mahuya Chakrabarti, Associate Professor and HOD
2. Dr. Sreerupa Roy, Assistant Professor
3. Dr. Moumita Basu, Assistant Professor
4. Smt. Debasree Bose, Assistant Professor

Modus Operandi

The department of Economics seeks not only to enable the students to excel in examinations but also to fine tune their thought process so that they can adapt themselves to the principles of economic reasoning. The department has produced toppers in the university examinations over the years which proves the effectiveness of the teaching methods employed by the faculty. After passing out, most of the students pursue their studies at Master's level. The department also encourages the overall personal growth of individual students and their enthusiastic participations in departmental programmes and college events reward this initiative of the department. It equips the students with necessary skills so that they can establish themselves in various sectors like teaching, research, banking etc. The department can live up to the expectations of serious students all the time and in all the days to come

Faculty members and students at the Teacher's day celebration

DEPARTMENT OF BENGALI (U.G. & P.G.)

Brief Overview

The Department of Bengali at Krishnagar Government College was set up in the year 1941. At the UG level, Bengali is offered as an Honours subject, as a General Elective subject (for students with Honours in other subjects) as well as one of the subjects in B. A. General Programme. The Department of Bengali, Krishnagar Government College also offers Bengali at the PG level. The express aim of the Department is to impart inclusive education amongst all students. The glory of the department rests in respect of both-- the teacher and the taught, the educator and the alumnus.

Facilities

The Department possesses a Seminar Library endowed with approximately two thousand texts and reference books. The collection includes several rare and out-of print books. Students are encouraged to expand their horizons of knowledge by borrowing frequently from this library. Regular class tests are held as part of the continuous evaluation process. Evaluation of the performance of students in student seminars, group discussions and research papers included in PG courses are part of the efficiency-assessment measures the department undertakes for the benefit of the students.

Faculty Members

1. Dr Indrani Goswami, Assistant Professor & HOD
2. Dr Amaresh Mandal, Associate Professor
3. Dr Panchanan Mandal, Associate Professor
4. Smt. Debahuti Sarkar, Assistant Professor
5. Dr Ritankar Mukherjee, Assistant Professor
6. Dr Ruchira Chakraborty, Assistant Professor

Modus Operandi

Faculty members at the Department of Bengali are ever-aware of their important role in sustaining the glory and the heritage of the venerable institution. As language teaching and literary studies become increasingly enmeshed in the matrix of culture studies in a globalized scenario, the Department of Bengali responds to the need of the hour by incorporating more and more technology-based pedagogic practices in the language learning classroom. Significant among others is the introduction of the LCD projector, utilized regularly to exhibit films relevant to the syllabus. The department periodically organizes invited lectures to better orient the students. To promote the research activity among students seminars and conferences are regularly organized, besides publishing their work in the College Journal. Regular visits to places of literary interest and historical importance are arranged for empirical enlivening of bookish knowledge. The department aims to empower the students with relevant knowledge, competence and creativity to face the challenges in different spheres of their life.

Teacher's day celebration

Educational tour of the Department

DEPARTMENT OF POLITICAL SCIENCE

Brief Overview

The Department of Political Science of Krishnagar Government College was established in the year 1952. The Department provides Honours and General Courses at the undergraduate level. The Department has successfully adopted the CBCS system introduced by the University of Kalyani and conducts its GE, SEC and DSC courses in collaboration with the departments of Bengali, History, English, Sanskrit and Geography. The Department actively participates in extra-curricular activities and boasts of a qualified, able and diverse faculty engaged in research in publication in fields such as Postcolonial Political Theory, Gender, International Relations etc.

Department celebrating 175 Anniversary of our college

Facilities

In order to facilitate an environment conducive to teaching-learning, the department presently uses three class rooms at the main building of the college. The department is equipped with a well-stocked seminar library, enhanced regularly with addition of diverse books of high quality acquired from the RUSA grant. The students are further encouraged to explore the Central Library of their college for text as well as reference books. The department frequently uses the digital classroom facilities afforded by the college.

Faculty Members

1. Sri. Mainak Putatunda, Assistant Professor & HOD
2. Sri. Manojit Mondal, Assistant Professor
3. Sri. Abinash Darnal, Assistant Professor
4. Dr. Ashraful Islam Lashkar, Assistant Professor

Modus Operandi

Political Science is principally a theoretical subject at the undergraduate level. However, the department attempts to instill a sense of context and perspective in the minds of the students by frequently resorting to activities such as the Youth Parliament, National Voter's Day observation and frequent participation in subject-related quiz contests, extempore etc. to keep their interest alive in the subject. Parents-Teacher meetings are organized to keep the parents abreast of their ward's activities inside the college. Academic as well as professional careers of several students from this department testify to its strength. In the recent past, the department has witnessed many of its students pursuing further study and research at eminent institutes of the state as well as the country.

Parent Teacher Meeting, 2019

DEPARTMENT OF ENGLISH

Brief Overview

The Department of English is one among the four (English, Sanskrit, History, Philosophy) inaugural departments with which Krishnagar Government College began its journey in 1846. At present the department offers Undergraduate Honours and General courses. Since the introduction of CBCS in 2018, emphasis has been placed on making students acquainted with world 'Englishes' in a globalised scenario, besides maintaining critical focus on literature from the British isles. ELT, Linguistics and Skill-Enhancement courses have been included in the UG CBCS curriculum to familiarize students with recent trends in English studies. In its illustrious history, the department boasts of several alumni who have established themselves in prestigious positions in society, ranging from administration to academics.

Celebration of 175th Anniversary of our College

Facilities

The Department of English has one state-of-the-art Language Laboratory, used for interactive learning purposes, especially in the field of Linguistics.

Faculty Members

1. Dr Pulakesh Ghosh -Assistant Professor and HOD
2. Shri.Sambuddha Ghosh-Assistant Professor
3. Smt. Anindita Haldar-Assistant Professor
4. Smt. Sudeshna Mukherjee-Assistant Professor
5. Shri. Arnab Mandal-Assistant Professor
6. Shri. Suman Banerjee-Assistant Professor

Modus Operandi

The department of English seeks to provide the students with a stimulating and nurturing learning environment in order to develop their critical and creative abilities. Arcadia, the wall-magazine of the department, is a platform where the students can realize their creative potentials. The classes are interactive spaces where students are encouraged to ask questions, engage in discussions and also to respect the opinions of others. The faculty takes special care in arranging tutorial and remedial classes to provide the students with valuable feedback. The department also organizes special lectures, film screenings, seminars etc. to widen the knowledge of the students.

On the occasion of Teachers' Day, 2019

DEPARTMENT OF SANSKRIT

Brief Overview

The glorious history of the Department of Sanskrit ranges back to 1846, when Krishnagar Government College began its illustrious journey. Currently it offers Honours and General Courses for Undergraduate courses. A major factor responsible for shaping the core of Indian culture and heritage, knowledge of Sanskrit imparts not just literary education but value education as well. This twin endeavour has been the driving force behind the pedagogic activities of the grand old Department of Sanskrit at Krishnagar Government College.

Faculty Members of the Department of Sanskrit

Facilities

The department of Sanskrit has two theory classrooms at the main building of the college. It also has a well-stocked seminar library with around 500 books.

Faculty Members

1. Smt. Mom Roy Choudhury-Assistant Professor and HOD
2. Dr Ashrumita Bhattacharya, Assistant Professor
3. Smt. Moumita Mondal, Assistant Professor
4. Shri. Pitambar Nirala, Assistant Professor
5. Smt. Ranita Ghosh, Assistant Professor
6. Smt. Anamika Adhikari, SACT

Modus Operandi

The faculty members of the department encourage the students to approach the study of Sanskrit as the study of a subject that since time immemorial acts as an important repository of Indian cultural, philosophical and ethical values. Special care is also taken by the faculty to build up fluency in the students in speaking and writing the Sanskrit language. The department is proactive in organizing seminars and special lectures to keep the students informed about the latest trends in different fields of Sanskrit studies.

Celebration of 175th Anniversary of our College

DEPARTMENT OF PHILOSOPHY (U.G. & P.G.)

Brief Overview

Established in 1846, the Department of Philosophy is as old as Krishnagar Government College itself. In spite of several changes, the department has remained steadfast to its aim of maintaining academic excellence. Over the years, several scholars and professors of towering stature have graced the department. The most renowned among them was Professor Gopinath Bhattacharya, under whose tutelage the hallowed Department of Philosophy at Jadavpur University came into existence. Presently the Department of Philosophy offers Undergraduate (Honours and General) and Postgraduate degree courses following the Choice Based Credit System (CBCS) mode.

Facilities

One of the most reputed departments of the college, the Department of Philosophy, Krishnagar Government College, comprises of serious, committed faculty members with specialization in various areas of Philosophy like Indian & Western Philosophy, Logic (Indian & Western), Ethics (Indian & Western), Continental Philosophy, Philosophy of Religion and a host of others. The department has its own, separate building, which is endowed with commendable facilities. The Seminar Library of the department is a treasure trove of rare books and journals amassed over the course of its 175 year history.

Faculty Members

1. Smt. Sewli Das (Karmakar)-Associate Professor & HOD
2. Dr. Swati Bhattacharya- Assistant Professor
3. Smt. Edha Chakraborti- Assistant Professor
4. Md. Eltutmis- Assistant Professor
5. Shri Buddhiswar Haldar- Assistant Professor
6. Shri. Mebar Hossain- Assistant Professor

Modus Operandi

The primary endeavour of the department has always been enkindling young minds to the point that they engage in critical discussions on topics relevant to the discipline. Following the global trend in academia, interdisciplinary thinking is promoted by means of special lectures, invited lectures and seminars organized from time to time. Through rigorous academic training and critical thinking, our students have become capable of exploring a wide range of career choices, glorifying their alma mater through significant contributions in fields such as academics, administration, social service and others.

Celebration of World Philosophy Day

DEPARTMENT OF HISTORY

Brief Overview

The journey of the Department of History as a separate Honours department at Krishnagar Government college began in the year 1918. However, since the establishment of the college in 1846, history has been taught as a subject. Under the current Choice Based Credit System (CBCS), the department offers both History Honours and General courses as recommended by the University of Kalyani. The department with its rich heritage has the distinction of attracting meritorious students and has continued to produce outstanding students till date.

Celebration of 175th Anniversary of our College

Facilities

The department is housed at the main building of the college. It has a small seminar library with around 350 books and journals in both Bengali and English covering the prescribed syllabus. The students are encouraged to borrow books from the seminar library.

Faculty Members

1. Smt.Sanjukta Sanyal, Assistant Professor & HOD
2. Shri. Tanmoy Bhattacharjee, Assistant Professor
3. Shri. Tanmoy De, Assistant Professor
4. Smt. Priyanka Biswas, Assistant Professor
5. Smt. Swagata Dey, SACT
6. Shri. Ranjit Nandi, SACT
7. Shri. Tirtha Sarkar, SACT

Modus Operandi

The functioning of the department is guided by the objective of developing critical and analytical thinking as well as creative skill in the students. In order to make the teacher-student interaction more effective, the faculty members remain engaged in devising new pedagogic practices. Apart from normal lectures, group discussions, tutorials, class tests, home assignments etc. are also arranged to assess the continuous progress of the students. In every academic year, a good number of students get first class in the university examinations which speaks volume of the department. Many of the students after graduating from this department have either pursued higher education in the universities and cracked exams like SET or found employment in other sectors. In order to ensure the holistic development of the students, the department positively encourages them to participate in extracurricular activities.

Parent Teacher Meeting, 2019

DEPARTMENT OF STATISTICS

Brief Overview

The department of Statistics, Krishnagar Government College, came into existence in 1981. Currently under the Choice Based Credit System (CBCS), the department offers General course in Statistics. This course provides an exciting opportunity to engage with the quantitative aspects of the social, biological and physical sciences. Generally students from Mathematics, Economics and Physics departments opt for this subject. Since its inception, the department strives hard to maintain its distinctive competence.

Facilities

The department is housed at the Mathematics department building. It has a well-stocked seminar library to serve the needs of the students.

Faculty Members

1. Dr. Subrata Rana, Assistant Professor & HOD
2. Shri. Goutam Barman, Assistant Professor.

Modus Operandi

In spite of its limitations, the department of Statistics always endeavours to impart quality education to the learners. Focusing on the increasing role of Statistics in diverse areas and its indispensability in marketing, finance and strategy-making, students are trained to acquire tools in the areas of applied statistics, statistical methods and analysis. As the intake capacity of the department has augmented significantly in the last three years, the faculty members experiment with new pedagogic practices to cater to the needs of the increasing number of students. The emphasis of the teaching-learning process is on relating statistical concepts to real world ideas that are familiar to the students.

Central Library

Central Library of the College, one of the oldest institutional libraries in the state, is a veritable treasure-trove of knowledge adorned with several rare books. Teachers and students benefit immensely from library facilities such as the availability of huge number of books and journals across disciplines and access to the internet. The two-storied library building occupies a total surface area of approximately 482.4 sq mts and allows about 70 readers to sit and read simultaneously. The ground floor is dedicated to books and journals pertaining to the Humanities while the first-floor houses those from the Sciences and Social Sciences. The ground floor also contains an IT chamber, a rare-books section and the Librarian's section.

General Information of The College

Students' Section

1. For any information, the candidates should contact the Students' Section.
2. For applying to any other institutes or organization the students should make 02 photocopies of the application and relevant papers and submit those to the Principal for attestation and signature through the Students' Section. It should be done 3 days before the final date of submission of the application.
3. For signature of any forms or applications by the Principal, the students should submit the same to the Students' Section

Discipline:

1. Till the notification of the result of the final examination the students are considered to be the bonafide present students of the college.
2. All the rules and regulations of the college declared at different times of an academic session should be followed and obeyed by the students.
3. Students should collect their college Identity Card and keep it with them in safe custody.
4. Loitering around the corridors, classrooms and examination halls is strictly prohibited.
5. Participation in games and sports is important.
6. Other than any satisfactory reasons, presence of students in tutorial classes is mandatory.
7. Absence of a student from any examination in the college shall be treated as an act of misconduct and breaking the discipline of the college. If a student is unable to appear in one or more examination, he/ she should submit relevant evidence of his /her absence to the Principal, countersigned by the guardian.
8. Guardians should attend the Parents'- Teachers' meetings held in the college, organized by the Parents-Teachers Council.
9. There is a Grievance Redressing Cell where students and their guardians may lodge complaints if and when required.
10. Ragging is strictly forbidden in the college. If anyone is found guilty of ragging shall be punished according to the Court of Law. It is also to be noted that during admission, students and their guardians have to submit an anti-ragging affidavit as directed by the Supreme Court. Affidavits may be filled online at the following websites: www.amanmovement.org OR www.antiragging.in but a hardcopy of the same has to be submitted to the college authority.
11. According to the rules and regulations of the University of Kalyani, 75% attendance of the students in classes is mandatory. At least 60% classes are to be attended so that after applying the non-collegiate fee the candidate may be eligible to appear in any examination conducted by the University. Students with below 60% attendance in class are considered as dis-collegiate and not allowed to appear in the final examination conducted by the University. Physical disabilities or other excuses are also rendered invalid in this case.

Central Library and Seminar Library:

1. Library card is issued on the basis of college Identity cards and admission receipts of the students.
2. Books are lent to the students from the beginning of academic session on the basis of the Library cards.
3. Students are allowed to read the books on a day-issue basis within the library premises in exchange of the Identity card or a reader's ticket.
4. Books issued at home should be returned within a fortnight. Any kind of failure is subject to fine and penalty. Prior to the form fill up for any examination conducted by the University, the books borrowed from the Central as well as the Seminar Library are to be returned.
5. Library card is non-transferrable. At the end of the academic session the card should be returned to the relevant authority.
6. Books of the reading room and journals are to be consulted during the Library hours (day issue) only and they are to be returned accordingly.
7. To maintain silence in the Library is mandatory.
8. Students should check the conditions of the books before borrowing them for home issue. Any damage found while returning the book or misplacement of the book is subject to fine and penalty.

Students' Hostel:

1. Annual admission facility is available in the Hostel.
2. There are two Boys' Hostel associated with the college:
 - i. Old Hindu Hostel: Number of seats- 60
 - ii. New Hindu Hostel: Number of seats- 40
3. Monthly expenditure:

Mess charge:	Rs.1200/- (approximately)
Establishment charge:	Rs. 30/-
Seat Rent:	Rs.2/-
Visitors' Room:	Rs. 5/-
4. While admission in the hostel, admission fee of Rs.50/-, furniture fee of Rs.50/- (annually) and monthly expenditure fee of Rs. 400/- (refundable) are to be deposited. An amount of Rs. 100/- as caution money is also to be deposited. While leaving the hostel, this money may be refunded to the student, if applied to the Hostel superintendent.
5. Seat tax and other monthly expenditures are to be paid from the month of June. Candidates interested to avail the hostel facility should give separate application to the Hostel Superintendent.
6. Along with the application, recent passport photograph, medically fit certificate (about general health and contagious diseases), photocopy of mark sheet of the previous examination passed, certificate from the Head of the Institution of the previous institution attended and the address and pay certificate of the guardian attested by the Mayor or Councillor or Chairman of the Municipality of his locality are required to be submitted to seek admission in the hostel.
7. During admission in the hostel the candidate should be present with his guardian.
8. Other information are to be collected from the superintendent of the hostel.

College Playground:

The college is surrounded by vast play grounds.

Old Hindu Hostel

New Hindu Hostel

Scholarships and Stipends

1. Physically handicapped students are given government stipends by the college under the sponsorship of Mass Education Department.
2. SC, ST and OBC students are given government grants by the college through the Social Welfare Department of the office of the District Magistrate and District Collector. (Certification from the local S.D.O. is the only valid evidence of a student belonging to the category of SC, ST or OBC).
3. Donations, aids, awards are given to meritorious students, economically deprived students, a combination of the previous two and students from the minority groups of the University by representatives of individual donors or organizations.
4. 10% students of the college are given the facility of free studentship and another 10% are given half-free studentship by Governing Body of the college. Candidates who have passed out their previous examination conducted by the University with a first class, are eligible for free studentship and those who have passed out with second class are eligible for half-free facility.
5. If the University scholarships are stopped for the time being and tuition fees are not paid by the students in due time, their scholarships and stipends will be stopped for that span of time.
6. If the students eligible for grants and scholarships are absent in class, they are required to show satisfactory reasons for their leave from college. Otherwise their grants may be stopped by the college authority.

On the occasion of 175th Anniversary of our College

Other Services and facilities:

1. There is a Career Counselling Centre in the college, aiming to help the students in selecting appropriate vocation for them. However, full proof success of this service is not granted.
2. Provision N.S.S. activities for the students.
3. There are two units of N.S.S. (National Service Scheme) through which students occupy themselves in benevolent activities.

Open University

The Study Centre of Netaji Open University is found in Krishnagar Govt. College. If candidates fail to get admission in this college or any other institutions, they may pursue their higher education through this Open University. A number of students qualify in their Graduate and Post Graduate courses through this University and lead a well established life.

Governing Body

Process for formation of the new governing body has been initiated and yet to be formed.

College Alumni

A number of ex-students of this college have become renowned personalities. There is an Alumni Association in this college consisting of the ex students. This association is always active in proper academic and cultural development of the college.

Some notable Alumni and teachers of our College

Secretary of Alumni Association being felicitated at 175th Anniversary celebration of our College

Internal Quality Assurance Cell (IQAC)

According to the guidelines of the National Assessment and Accreditation Council (NAAC), the Internal Quality Assurance Cell (IQAC) at the Krishnagar Government College was established in 2008 as a post-accreditation initiative to enhance and sustain the quality of the teaching-learning process. One of the pillars to uphold the culture of excellence established at the college, the IQAC promotes innovation, advocates inclusion and catalyses the holistic growth of the primary stakeholders.

Objectives

The primary objectives of the IQAC as per the NAAC guidelines are

To develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the institution.

To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Functions

It is an actively functioning unit of the college that establishes coordination among the Principal, faculty members and other stakeholders involved in the teaching-learning process. In the beginning of every academic year, the IQAC chalks out the plan of action for the institutional development, monitors their implementations and evaluates the outcome achieved by the end of the year which gets reflected in the Annual Quality Assurance Report (AQAR). Under its leadership, the faculty members are continuously encouraged to update themselves and to impart that updated knowledge to the students. It gives emphasis upon the creation of a learner-centric environment and positively encourages the teachers for greater use of the ICT enabled teaching-learning process. It also uses the feedback received from different stakeholders to make an overall assessment of teaching-learning process in the college. The functions of the IQAC further include the documentation of various programmes/activities of the college and the promotion of quality related activities and issues through various programmes such as seminars, workshops, symposia, panel discussions etc. for all the stakeholders of the institution. It also encourages self-evaluation and accountability which are crucial for maintaining the required standard at the academic as well as administrative level of the college.

Cultural Programme performed by our teachers during 175th years celebration

Social Media Awareness Programme

Students' Union

The Students' Union is comprised of the representatives from the Under Graduate and Post Graduate levels. There is no political party colour in electing the members of the Students' Union. The Students' Union is responsible for annual publication of the college magazine, maintenance of the common rooms, conducting sports and games and recreational activities and annual sports. Moreover, it conducts blood donation camps, plantation, programmes for maintenance of flora around the college campus and related activities. Besides, Fresher's Welcome, Teacher's Day celebration, activities within the purview of the Study Circle such as, Recitation, Quiz, Debate, Extempore, other cultural activities and College Annual Function are also organized by the Students' Union.
